

Story Skeleton Directions

Tell about the “body of the story” you read this month. Put together a “skeletonish” mobile to use in your story presentation. We’ll hang it up when you’re finished. Use index cards or stiff paper. Put the skeleton together with string or yarn.

Head: Draw and color the face of the main character. Write your name on back of the head.

Chest/Upper Torso: Draw & color the setting where and when the story takes place.

Abdomen/Hips: Write 1-3 sentences in your best writing that explain the main problem or adventure in the book.

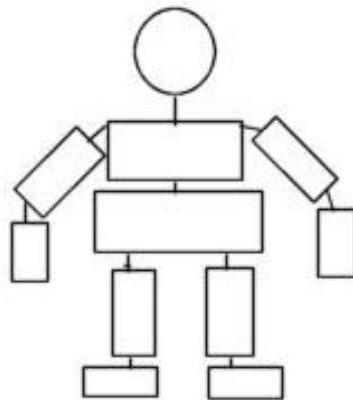

Upper Arms: Write the names of other important characters. Add how each relates to the problem or main character.

Lower Arms: Write interesting details from the book

Thighs: Write other problems the character must solve on the way to solving the main problem.

Lower Legs: Write ways the character gets out of the adventure or solves the main problem – the climax and solution.

Feet: Write one thing you like about the book on each foot.

Thanks to Mrs. Decker at Vern Patrick School for this great project!
